

Hi Pastor Kenn,

I just wanted to follow up with you regarding our recent telephone conversation. We are all missing the presence of our dear Pastor Rick Pierce since his retirement to Florida.

However, thanks to CFC we are excited to announce the continuation of the Recovery Ministry group, formally facilitated by Pastor Rick. We are making a few changes this Fall semester.

The group is switching to Thursday nights at 7 pm starting September 14 with hopes of reaching people who were not able to attend Tuesday nights. We are also changing curriculum to "Stepping into Freedom: A Christ-Centered Twelve-Step Program."

Here is some additional information about the new group you may want to add to CFC Bulletin, website and/or Sunday announcements inviting anyone from your congregation to attend.

"Stepping into Freedom" is a Christ-centered twelve step program curriculum suggested for use in recovery groups.

It offers help for anyone struggling with a life controlling problem like drug addiction, alcoholism, sexual addiction, gambling or workaholism.

It supports a person's desire to maintain a life free of life-controlling problems.

It helps a person develop roots and steadfastness in Christ so that one can confidently master the problems faced in daily living.

It serves as an effective evangelism tool by providing a way to minister to people's felt needs and then pointing them to Christ.

Prayerfully this collaboration between CFC and OFC will create an opportunity to develop another awesome Spirit-filled group of disciples!! We greatly appreciate all the love and resources you provide to the recovery community of the Southcoast area.

Peace & Love,

Pastor Kathryn Kelly
